Deteriorating infrastructural facilities at Safdarjung Hospital

57. SHRI C.O. POULOSE: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware of the deteriorating infrastructural facilities at Safdarjung Hospital;

(b) whether it is a fact that patients are directed to get CT Scan in a private Nursing Home;

(c) if so, the reasons for the callous attitude; and

(d) the steps taken to ensure the services of doctors round the clock?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P THAKUR): (a) and (b) No, Sir. The Hospital has one CT Scan which is functional round the clock and no patient is directed to any private nursing home for CT Scan.

(c) In view of (a) & (b) above, question does not arise.

(d) The doctors are put on round the clock duties in ICU, Casualty and Wards. The specialists of the concerned department are available all the time on call as and when required to provide the services to the patients.

Restriction of spurious eatable items and mineral water

†58. SHRI P.K. MAHESHWARI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what are the new amendments being considered by Government in the present laws in order to impose restriction on spurious eatable items including spurious mineral water;

(b) whether his Ministry is keeping an eye on sale of spurious eatable items in different States;

(c) if so, the details of mineral and other eatable items being sold with ISI seal and without ISI seal, State-wise; and

(d) the steps being taken by Government in order to make test laboratories of eatable items fair and efficient?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR): (a) Amendments to the PFA Rules is an ongoing process. Important provisions introduced recently to regulate the quality of foods include provision of standards for packaged drinking water, upgradation of standards for mineral water, introduction of the concept of "Best Before" to be put on labels, fixing of limit for contaminants in fruit products etc.
